

CAREER OPPORTUNITIES FOR GRADUATING SENIORS

WHERE
BRIGHT
FUTURES
BEGIN

Kent County Economic & Tourism Development is compiling a list of local job opportunities for 2022 Kent County High School graduates to consider.

By providing this list, we are making an effort to help our graduates know where to search for jobs, familiarize them with businesses that offer entry-level positions, and provide local businesses with another means for acquiring new applicants for their entry-level job openings.

If you would like your business and your current entry-level position openings to be included on this list, click the link below to complete the form (if you have multiple positions, please submit a separate form for each).

Form submissions are due on Friday, May 27, 2022.

Are you a graduating high school senior looking to **LAUNCH YOUR CAREER?**
